USHER'S CLUB

Due to emergencies that can arise, Council has been approached with a concern about what would be done if the church had an emergency, such as a person falling ill during the service or even wanting to do harm to the congregation.

A suggestion was made to form an Ushers Club.

The usher would assist with the use of the elevator. Also, he/she would stay in the back of the church during service to be mindful of any comings or goings.

Once the club has been formed more discussion, in regards to the responsibilities for the user would be discussed.

We would only need one Usher per week.

If you are interested, there will be a sign up sheet on the door. If you have any questions, please contact a member of council.

Thank you
