There will be an Usher's meeting after church service on Sunday, January 11.

That on January 1, The observance of the octave (eighth day) of Christmas has roots in the sixth century. Until the recent past, Lutheran calendars called this day "The Circumcision and Name of Jesus." The emphasis on circumcision is the older emphasis. Every Jewish boy was circumcised and formally named on the eighth day of his life. Already in his youth, Jesus bears the mark of a covenant that he makes new through the shedding of his blood on the cross. That covenant, like Jesus' name, is a gift that marks the children of God. Baptized into Christ, the church begins a new year in Jessus' name.
