LET THE CHILDREN COME

Psalm 119 praises the fact that God's words give light. Another part of this psalm also contains a familiar verse: "Your word is a lamp to my feet and a light to my path" (v.105). This verse is good to commit to memory.

Help children learn this verse by heart. Teach them that they can be a light towards other people's paths to the gospel. God can shine through their faith and light their way as well as the way for others.
